

PARKINSONIA CIRCLE

2009-2010

Who are we?

- One of seven Circles of the Fort Lauderdale Garden Club (FLGC)
- Comprised of active members who share our love of plants and flowers, and our talents in horticulture, floral design and nature crafts
- Parkinsonia has a special focus on youth programs
- We pride ourselves on being a particularly diverse circle

What do we do?

- Enjoy monthly meetings from October through May, usually on the 4th Friday morning of the month in members' homes, with Coffee at 9:30 a.m. and the Meeting beginning at 10 a.m.
- Learn from our monthly guest speakers, many of whom are experts in their fields, on horticulture, environmental landscapes, and other gardening topics of interest
- Promote youth gardening, including programs at Harbordale and Floranada Elementary schools where we provide fun lessons in plant care and floral design
- Support FLGC's annual Youth Flower Show (March 17-18, 2010)
- Participate in FLGC's annual Standard Flower Show (April 16-18, 2010)
- Participate in fundraising, primarily for camperships to Camp Wekiva, a summer nature camp sponsored by the Florida Federation of Garden Clubs.
